

DISTANCE LEARNING COURSES (GRADES 9 – 12)

Students attending schools who wish to take distance learning courses must have the approval of the Principal as well as a parent when a student is under the age of 18.

Registrations for Distance Education Courses for credit purposes may be approved for any of the following reasons:

1. courses not offered at the school of attendance
2. desire for extra credit(s)
3. timetable conflict

Students may not register for a Distance Learning course when the same course is offered within the school timetable, and where there is no timetable conflict for the student.

Students are responsible for the payment of tuition fees for all Distance Learning Courses.

Reimbursement will be made to students upon successful course completion for credit purposes.

The Division will not assume the costs for tutoring or for course auditing.
