

i) Home Economics supper – Christina Gunther

The Board of Trustees and Senior Admin were treated to a four course meal cooked and presented by the students from the Human Ecology Course.

ii) Advisory Group

The theme for the Advisory Groups for this year was to determine the “why” first and then the “what” would and could be fleshed out during the conversations. This approach was used to help deal with the aftermath of the pandemic and the isolation and anxiety that ensued and still continues to this day.

iii) Thrival Kits

This initiative was specifically addressing the same isolation and anxiety from the pandemic for the Grades 4-8.

iv) 2nd Step

The initiative of 2nd step is to provide and enhance learning through a social-emotional perspective.

v) 7 Sacred Teachings

- i. Love. Love is the gift from the Eagle. ...
- ii. Respect. Respect is the gift from the Buffalo. ...
- iii. Courage. The Bear carries courage. ...
- iv. Honesty. Honesty is carried by the Sabe (Sasquatch). ...
- v. Wisdom. The Beaver carries wisdom. ...
- vi. Humility. The Wolf carries humility. ...
- vii. Truth. The Turtle carries truth.

vi) Engine Room/Calming Space Tour

A tour was done of the many updates and upgrades of the school since the last Education Specific Meeting was held at this location including the Engine/Calming rooms.

vii) Grade 7 Horror Stories audio presentation

The Grade 7 students created a virtual Horror story package including a book cover, poster and an audio of their story which you could scan the bar code attached to each project.
